

# Zip-Tex™ 650 Interior Texture Sprayer

The Zip-Tex 650 is the perfect pumping system for tradesmen and contractors who are ready to graduate from a hopper gun to a faster, more productive, less-fatiguing spray rig.

## Innovative Pump-Only Texture Sprayer\*

- Small, lightweight and portable – easy to bring on and off the job site
- weight: 25 lbs (11.3 kg)
- Designed for use with a user-supplied air compressor\* minimum air compressor rating 3.5 cfm at 40 psi; .09 m<sup>3</sup> / min

## RotoFlex II Texture Pump\*

- Delivers smooth material flow for uniform coverage and a consistent pattern
- Provides material flow rates up to .65 gpm for faster applications

## Superior Texture Projection

- Pumping system force-feeds material through the texture gun and projects texture farther than a traditional hopper gun

## Oversize Material Hopper

- Holds 5 gallons of material, allowing you to complete a whole room without stopping to refill
- Specially shaped opening acts as a pail rest – just tip the pail over and let it drain into the hopper

*Just Add Air!*

Part No.254982

## Texture Made Easy with the Zip-Tex 650!

Spray all these Texture Finishes

Projects texture up to four feet

Knockdown

Popcorn

Orange Peel

Splatter

## Zip-Tex 650

- Comes complete with: 3/4 in x 20 ft (19mm x 6m), hose, Air Spray Trigger Gun, two nozzles
- Max gpm (lpm): .65 (2.5); max psi (bar); 50 (3.5); max hose: 20 ft (6m)
- Operation manual #311765; repair manual #311773, UPC# 769946089943
- Shipping weight 28.9 #

\*User-supplied air compressor with minimum performance of 3.5 cfm at 40 psi required for most applications. See technical manual for full details, listed by application.

\*Patent pending

## Zip-Tex™ 900 Interior Texture Sprayer

The all new Zip-Tex 900 is the perfect choice for the contractor who's looking to spray high-quality texture finishes with a simple-to-use, self-contained machine.

### New RotoFlex™ II Texture Pump\*

- Features an innovative braided sling that provides extra support to the RotoFlex pump tube
- Delivers smooth material flow for uniform coverage and a consistent spray pattern

### New Higher-Production Performance Points

- Max output 9 gallons per minute
- Material flow increased by more than 20% over the 750.†  
Finish jobs even faster
- Material pressure max 60 psi, 4.2 bar boosted by more than 10%† over the 750 — handle thicker mud mixes

### New Higher-Capacity On-Board Air Compressor†

- Compressor Air Output: 8.7 displacement cfm; 4.0 cfm at 45 psi; 4.0 m<sup>3</sup> / min
- 20% greater air output than the 750. Projects material further
- Complete air-consuming splatter and orange peel finishes jobs faster

### New Larger-Capacity Hopper†

- Holds 8 gallons of material for more time spraying between refills
- Ultra-low entry height of 32 in makes filling the hopper easier

### Exclusive Dual-Use Gun\*

- Versatile, patent-pending design converts quickly to a hopper gun for touch-up jobs
- Easy-to-use air trigger adjustments on the gun
- New through-handle air passage prevents material from contaminating the needle spring

### New Single-Motor Design

- One motor operates the pump and air compressor, making the sprayer smaller and 15 lbs (7 kg) lighter
- Delivers 1.7 hp for optimal performance

### Touch-Up Hopper

- Attaches to air spray gun without tools for completing quick jobs and touch-ups
- 3/4-gallon capacity

Part No.254983

## Zip-Tex 900

- Comes complete with: 3/4 in x 25 ft (19 mm x 7.5 m) material hose, 3/8 in x 25 ft (9.5 mm x 7.5 m) air hose, Air-Spray Trigger Gun, four nozzles
- Max gpm (lpm): .9 (3.4); max working pressure 60 psi (2.4 bar); max hose: 25 ft (7.5m)
- Operation manual #311766; repair manual #311774, UPC# 769946089950
- Shipping weight 68 lbs (27.2kg)
