SprayTECH[®]

THE DEPENDABLE CHOICE™

New GPX Gas Pumps from SprayTECH!

Built to keep you on the job day in and day out.
Backed by an industry leading warranty,
these workhorses will handle any job that
comes along.

GPX165

The GPX165 includes a lifetime cylinder warranty to reduce downtime, fully pneumatic tires for easy construction site transporting, and large porting so you can spray most high-viscosity coatings. You get all of this at an affordable price!

SprayTECH[®]
THE DEPENDABLE CHOICE™

GPX

S E R I E S

- Most Powerful HP to GPM Ratio
- Lifetime Cylinder Warranty
- Spray with Multiple Guns
- Easy Job Site Maneuverability
- 2 Year Engine Warranty
- Proven — Overhead cam engines have greater fuel efficiency than overhead valve engines
- Quiet — 33% fewer moving parts in the overhead cam makes it quieter than other engines
- Easy Starting — 30% to 40% less pulling force than other engine brands
- Static packings for increased packing life

Line Crew

LCX130

The LCX130's WideTrak precision front caster system provides superior durability and features a radius lock for precision radius lines.
